NEWSLETTER

August/September 2020

"to place the great wide world at your doorstep for you who yearn to travel with all the comforts of home."
Wally Byam Creed

Allana Patterson Editor

Well I am up and moving since my double knee replacement in early August. Thanks to all of those that sent me cards and well wishes. I am so looking forward to getting out in the Airstream this fall.

I have practiced making it up the steps!! We have made our reservations for the October Oklahoma Falls Caravan.

I don't think I could have survived the past 6 months without ZOOM. I am going to take on our October meeting via ZOOM. I will practice with Steve, Gary, and Lynn in September. I love to hear that people have been traveling on their own since our rallies have been cancelled, but so thrilled that Wanda and Marty have organized a wonderful caravan in mid-October. All the details are on page 3.

Hope to meet our new members and see many of you in Oklahoma.

Be safe, be tolerant, be kind.

Welcome New Members to NTU

In spite of this long pandemic, Airstream sales are booming and we have new members:

Joined in June:

- William and Jackie Kernaghan from Ft. Worth

Joined in July:

- Jessica Riley from Dallas, TX
- Robert Valdez from Ft. Worth, TX

Joined in August:

- Sterling & Marianne Combs from Aledo
- David and Marcie Sholkoff from Dallas
- Danna and Steve Pohler from Spring, soon to be Hillsboro, TX -NTAC

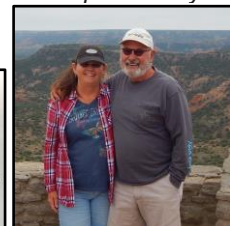

SPOTLIGHT ON NEW MEMBERS

Sterling and Marianne Combs purchased their 2015 25ft Serenity International in May 2018. "We were shopping for a new RV, but when we saw the little Airstream, it was love at first sight. When we returned home with our new purchase, our daughter was worried she would always be wondering where we were and needed to add tracking to our trailer, so we named it "Silver Alert". The Combs lived most of their life in Magnolia Texas. After selling their little farm, they relocated to Galveston for several years. They recently purchased a couple of acres in the Aledo, Texas area and built a little cottage and RV storage amongst the live oak trees. "We are looking forward to enjoying more travel and making new friends who also love their Airstream. We travel with our little buddy, Jesse a miniature Australian shepherd who is not crazy about the heat but loves his personal space in the trailer. Happy trails to you all & hope to see you on the road."

We are going to try to have monthly meetings beginning in October.

I know that some members, including myself, have been able to meet in a small group setting, usually outside, and have enjoyed each other's company. Here in the Woodward household, all our activities have been accomplished by being outdoors, bringing our own refreshments, keeping a safe social distance, and wearing a mask. Not as much fun as before but still better than nothing. So, I encourage you to hook up and get out as you see fit to do so.

Be sure to sign up for the "come and Go Airstream Rally-Van" scheduled for Oct. 15-29. Unit members must contact Marty and Wanda Whitehill if you plan to attend. Contact info for Wanda is 903-821-1615 or whitemar53@gmail.com.

Our installation rally is being held November 20-22 at Oakdale RV Park in Glen Rose. The park has blocked off an area for us to be together, as well as given us the use of the Exterior Pavillion and other amenities. Hope to see you at the events. Stay safe. Stay smart. See you down the Road.

NEWS YOU CAN USE

Airstreaming during Coronavirus

From Wanda Whitehill

We have airstreamed in Oklahoma, Arkansas, Kansas, and Colorado since June. We have found that coronavirus guidelines are in effect. Not everything is fully opened but we were able to see many sights and participate in different activities. We have noticed the following:

- Most check-ins at RV parks, National Recreation Areas, State Parks and Corp Parks are being done by reservation. Some check-ins are done by phone where you are assigned a site.
- Some restrooms and laundries may be closed, ask before you go.
- Masks are required in buildings.
- Social distancing is required at all places.
- Outside dining has increased.
- Tours have been altered to accommodate smaller numbers, family, and groups.

We have felt comfortable in most places.

COVID WORDS OF WISDOM or WISECRACKS?

"I wish travel therapy was covered by my health insurance."

"I feel like most of my problems could be solved with an adventure... anywhere."

"Travitude: when you start to feel grumpy and sassy cause you haven't traveled in a while"

"I just took a DNA test, turns out I'm 100% ready for a new adventure."

My husband purchased a world map and then gave me a dart and said, "Throw this and wherever it lands—that's where I'm taking you when this pandemic ends."
Turns out, we're spending two weeks behind the fridge.

Anyone else's car getting three weeks to the gallon?

"Do more things that make you forget to check your phone."
